The highlight of the day is the new Ark Encounter. This full-sized, all wood replica of Noah's Ark presents a number of historical events centered on this one-of-a-kind historically themed attraction. It is designed to be family oriented, historically authentic and is the largest timber frame structure in the country. Before returning home, we visit the Creation Museum, a state-of-the-art museum which brings the pages of the Bible to life through the retelling of its stories.
